

Dear Jacaranda Preschool Educators,

Happy Early Childhood Educators Day!

Without you, our little ones wouldn't laugh, learn, and grow the way they do. Because of you, they carry confidence, curiosity, and kindness into the world. As parents, we trust you with our tiny humans every day, and that means the world to us.

Not only do you focus on our children, but you also make us as parents feel like part of the family too.

Thank you for all the love, patience, and fun you bring to our kids day.

We're so grateful for you! 

From Harry, Eliza, Melinda and Jeremy Moremon

Thank you for the love, patience and dedication you show Ocean every day. She absolutely adores her educators and has so much fun at pre school. She has grown so much since attending jacaranda pre school. You all do such an amazing job with guiding and nurturing the kids.

To the wonderful team of Educators at Jacaranda Preschool,

Thank you for extra care you take to make sure Kora feels comfortable and safe on the days she is there.

The growth in her confidence is amazing, she loves coming to preschool. Thank you for your kindness, patience and the passion you have for your job!

Thank you for taking great care of our precious girl and getting her ready for big school.

You are truly appreciated!
